Critical Intelligence Problems Committee

24 September 1985
DDW-133

WEEKLY ACTIVITIES AND STATUS REPORT FOR THE DD/ICS--25 September 1985

CIPC Organizational Activities

- Another successful CIPC meeting is now behind us. We are in the process of incorporating the members' comments into the BMD Follow-up Report for subsequent DCI approval.
 - This effort should be completed for your signature by early next week.
- We are also in the process of reviewing the critical intelligence topics nominated by the CIPC members. In addition, we are assigning CIPC staff officers to conduct the staff reviews and develop the necessary background information to facilitate the Committee's review and discussion of the candidate topics.
 - The staff background papers will include the following information:
 - Precise statement of the problem.
 - Who is working it; extent of involvement; expected calendar; recent publications: NIE/SNIE, IIM, etc.
 - Recommended scope of a CIPC study and focus of inquiry.
- The STAP meeting scheduled for 27 September (reported in the 10 September Weekly Report) has been rescheduled for 23-24 October. Therefore, it is not necessary to recall [] to Washington at present; however, Ed has been alerted to the October STAP meeting.
- On 24 September, several CIPC staffers viewed the video of the DCI's presentation on security practices.
- On 19 September, [] made a courtesy call on []

- According to [] A/NIO/Narcotics, the NSC is now charged with drafting an NSDD on international narcotics. Not much more than that is known at the present time. The NSC drafter is [] who is a Middle East expert.

- At the 20 September meeting of the National Drug Enforcement Board (NDEB), Secretary Weinberger presented a briefing on DoD support for narcotics enforcement as well as some significant concerns within the DoD. These included:

- Overlapping responsibilities for narcotics control within the law enforcement community.

- Lack of a shared all-source data base for narcotics enforcement and interdiction.

- On 19 September, Ray and George briefed USCG Commodore Bruce Beran of the Long Beach NNBIS center on the general conclusions of the follow-up report to the Narcotics Study. Commodore Beran was accompanied by CDR Jack Carney, USCG, and Patrick Clark, the NNBIS intelligence coordinator (a Naval intelligence officer). Pat Clark emphasized familiar NNBIS themes concerning the difficulty in receiving actionable intelligence support from the Community. Pat was aware that the NIO/Narcotics has been specifically charged by the DDCI to coordinate Community intelligence support for NNBIS.

- Paul continued to help George with the narcotics intelligence problem. Last week he attended the NIO warning meeting on narcotics, where he provided a status report on the CIPC Narcotics Working Group's study on narcotics intelligence gaps [redacted]

Mobile Missile Study: [redacted]

- All changes have been incorporated into the Mobile Missile Study. We are conducting a final review of the study and should have it ready for you to forward to the DCI in the next few days.
- Commander Mike Kaczmarek, USN, the Assistant Executive Secretary, Defense Science Board (DSB), will visit with Jim on 25 September for an informal discussion on the status of the DSB study effort and the CIPC Mobile Missile Study. CDR Kaczmarek is new to his job and is trying to get smart quick.

Assessment and Evaluation Concept: [redacted]

- Discussions were resumed, following a period of vacations, with CIA's Office of Information Technology concerning the CSEM-FIRF methodology. CIA/OIT has been highly enthusiastic about the CIPC staff-developed model, and has been assisting in the preparation of a nontechnical, management overview briefing of the concept. OIT is scheduled to give us this briefing on Wednesday, 25 September.

Miscellaneous

- On 23 September, Tony attended a Brookings-Hudson Institute-Defense Intelligence College conference on "The Future of Western Politics Toward Eastern Europe."
